

MANUAL OF LEGAL FORMS.—By reference to a more extended notice elsewhere, it will be seen that we propose issuing from our office a Manual of Legal Forms for Magistrates and other civil officers in this State. Those who would secure copies are requested to send us their names as the edition will be limited.

VERY CONSIDERATE.—A very kind friend in Jefferson county, sends us a gobbling nineteen pounds, for which of course, we tender our profoundest thanks. That a noble example for some other of our country patrons. Blessed is he who remembers the printer, especially during Christmas week.

FACTS VS. THEORIES.—"Give me a place to rest my lever on," says Archimedes, "and I will move the world." "Give me pure and undiluted drugs," says the sage of the olden time, "and I will cure disease."

In one sense, both of these learned pundits are the veriest charlatans. They knew there was no place to rest their lever on, either to move the world or cure disease. Mechanical was a backward state, and the medical profession was but another name for sorcery, and all the adjuncts of magic filters, and charms of the evil eye, &c.

But those latter days have borne unto us nothing more than even superstition and its ever-dreamt of in their maddest philosophy. In these days of practical science, what theory of yesterday is fact to-day, and all old-time notions become as bubbles in the wind, and burst and break with every breath of draw.

At Archimedes shoulder his lever, and we find a resting place for it to move the world. Let nine ancient Medici sorely need no more for the drugs he so sorely needs we have them at our hand, ever ready to serve them at his beck.

defined in the laboratory of Dr. Maggell. The finest materials known in the medical profession are obtainable by any one. His Bile, Dyspeptic, and Diarrhoea Pills stand unrivaled, and his salve operates with magical effect upon burns, scalds, and all sores and ulcers of the skin.

In fact, we think MAGGELL'S Pills and Salve the wonder of this century, and we are proud in the thought that many others of our brethren of the craft agree with us. We would earnestly counsel that all families provide themselves with Dr. Maggell's Preparations at once, and keep them ready at hand, so as to have them at the most opportune time and as practical services.—Valley Sentinel.

Festival at Vicksburg.—We clip the following from the Vicksburg Times:

Business is known to everybody not alone to those who are, that the ladies of the Methodist church intend to give a GRAND FESTIVAL during Christmas week, commencing on Tuesday, the 19th.

Preparations have been going forward, on a huge scale, for some weeks, for this occasion, and from all who can learn, from the fair festival, who have it in charge, this affair is fair to be the finest fair or festival ever gotten up in the city of Vicksburg.

The object is a most laudable one, aside from this every inducement for a very large attendance. The hall will be beautifully decorated by hands accustomed to such, and this feature will be of itself worth traveling a long distance to see.

Tables will be embellished with things which have been sent from all parts of the country. Santa Claus will be present in costume to dispense the garnered presents which will dangle from the branches of the finest Christmas tree seen.

Everything has been done, and can possibly add to the merriment and happiness of this jolly season, and of course everybody will take their wives.

MARRIED.—On the 20th Dec., 1866, the marriage of Miss L. F. McMahon, of the Parish, to L. H. BENNETT, of the Parish, and Miss Lou E. McMahon, of the Parish, was celebrated.

A gallant young friend and his fair partner our best wishes for pleasant sailing journey through life. May all the wedded bliss be theirs, and

SPECIAL NOTICES.

A New and Grand Epoch in Medicine. MR. MAGGELL is the founder of a new Medical System! The quantarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extra-ordinary Pills, and cures the most violent sores with a box or so of his wonderful and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggell's Pills and Salve, have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggell's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggell's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggell's Salve. In fact, it is here announced that Maggell's Bilems, Dyspeptic and Diarrhoea Pills cure where all others fail. While for Burns, Scalds, Chills, Cuts and all abrasions of the skin, Maggell's Salve is infallible. Sold by J. MAGGELL, 11 Pine Street, New York, and all Druggists, at 25 cents per box.

MEMPHIS.

DR. SAMUEL GILBERT'S PREPARATIONS.

DR. SAMUEL GILBERT, so celebrated as having had for the last twenty-five years, in the treatment of CHRONIC DISEASES,

the most remedial Medical Practice in the South has at last consented to allow several of his most esteemed remedies to be prepared and sold as proprietary medicines. This resolution has been engendered by the repeated solicitations of those who have experienced the benefit of his remarkable professional skill, and by the impossibility of giving special attention to each of the written applications made to him for prescriptions by those whose pecuniary circumstances or business habits, preclude the possibility of applying in person to him.

DR. SAMUEL GILBERT'S GENERAL ALTERNATIVE

Acts directly upon the Visceral and Muscular Membranes—stimulating them to additional activity in their natural functions of eliminating from the Circulating Fluids the usual Effete (and in disease, Morbid) Matters, and expelling them through the Skin, Kidneys, Liver, and Alimentary Canal from the system. It is, therefore, adapted for the relief of chronic diseases affecting these organs, and of the mucous membranes lining them such as

ERUPTIONS, TETTER, ULCERS, SCROFULA JAUNDICE, GOITRE,

CHRONIC INFLAMMATION OF BLADDER AND UTERUS, ETC.

It is particularly useful in Suppressed Menstruation, Hereditary Taint, Syphilis, and maladies arising from long-continued use of Calomel, Blue Mass, Corrosive Sublimates, Fowler's solution, Donovan's solution, and other preparations of mercury and arsenic.

DR. SAMUEL GILBERT'S TETTER OINTMENT

Is a most excellent preparation for the cure of that class of maladies usually termed

DISEASES OF THE SKIN,

and which are popularly known as Chronic eruptions, Tetters, Pimples, Blisters, Scabs, Scald-Head, Milk-crust, Ring-worm, etc. It will also kill Ich and other local vermin which prey upon the skin. It softens and detaches the excrementitious matters deposited upon the skin; heals the cracks, blisters, and pimples, and renders the cutaneous surface smooth and pliable. It has been used by Dr. Gilbert with most satisfactory results, for many years. It is offered for sale, in this style, from the firm conviction that it must necessarily meet with the hearty approbation of those who make use of it.

Full directions for the method of using these remedies, a plain and accurate description of a number of the different varieties of skin diseases, and many valuable suggestions in regard to their cure, will be found printed on circular accompanying each package. These suggestions are the fruit of most ample experience acquired by Dr. Gilbert during his extraordinary professional career in the treatment of this class of diseases in the cities of Memphis, New Orleans and New York, and will, it is expected, enable most unprofessional persons to treat their own cases with much greater success than that which usually falls to the lot of ordinary physicians.

DR. SAMUEL GILBERT'S

HEA G OINTMENT

Possesses peculiar tonic and astringent qualities which cause it to be admirably adapted to the cure of Various Kinds of Ulcers. Especially those which are of an indolent nature, and which are usually denominated "Old Sores." It is confidently believed to be much superior to any other preparation made for similar purposes.

Full directions for the method of applying it, a plain and accurate description of a number of the different varieties of Ulcer, and valuable directions in regard to their cure, will be found printed on the circular accompanying each box; which remarks, it is hoped, will enable most unprofessional persons to treat their own Ulcers with greater success than is usually experienced from the attention of ordinary physicians. SOMETHING NEW UNDER THE SUN.

A NEW ERA IN MEDICINE.

Let the Suffering and Diseased read the following.

Let all who have been given up by Doctors, and spoken of as incurable, read the following.

Let all who can believe facts, and can have faith in evidence, read the following.

KNOW ALL MEN BY THESE PRESENTS, That, on this, the Twentieth day of June, in the year of our Lord, One Thousand Eight Hundred and Sixty-six, personally came Joseph Haydick to me, known as such, and being duly sworn, deposed as follows: "That he is the sole general agent for the United States and dependencies thereof for preparations or medicines known as Dr. Maggell's Pills and Salve, and that the following certificates are verbatim copies to the best of his knowledge and belief."

JAMES SMETTRE, Notary Public, Wall Street, New York.

JUNE 1, 1866.

DR. MAGGELL.—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your medicine. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAS. MYERS, 116 Avenue D.

This is to certify that I was discharged from the army with Chronic Diarrhea, and have been cured by Dr. Maggell's Pills.

WILSON HARVEY, New York, April 7, 1866. 27 Pitt Street.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around, and on him in a perfect shower, and he was burnt dreadfully. The following certificate was given to me, by him, about eight weeks after the accident:

NEW YORK, Jan. 11, 1866.

My name is Jacob Hardy; I am an Iron Founder; I was badly burnt by being struck in November last; my burns healed, but I had a running sore on my leg that would not heal; I tried Maggell's Salve, and it cured me in a few weeks. "This is all true, and anybody can see me at Jackson's Iron Works, 24 Avenue D."

J. HARDY, 119 Goerick Street.

Extracts from Various Letters. "Dr. Maggell's Pills gave me a hearty one."

"Your Pills are marvellous."

"I send for another box, and keep them in the house."

"Dr. Maggell has cured my headache that was chronic."

"I gave half of one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Maggell's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears, and the noise left."

"Send me two boxes, I want one for a poor family."

"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have three boxes of your Pills by return mail."

I HAVE OVER 200 SUCH TESTIMONIALS. As this, but want of space compels me to conclude.

FOR CUTANEOUS DISEASES. And all eruptions of the skin, the SALVE is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil!
